Marketing & Branding

1. Create a brand positioning statement

Act as a senior brand strategist. Create a clear positioning statement for [BRAND] targeting [AUDIENCE]. Include the category, ideal customer, unique value proposition, differentiators, proof points, and a one-line positioning statement.

2. Build a unique value proposition

Act as a conversion-focused marketer. Create 10 unique value propositions for [PRODUCT/SERVICE] aimed at [AUDIENCE]. Make each specific, benefit-led, believable, and easy to understand.

3. Define a target customer

Analyze [BUSINESS/PRODUCT] and define its ideal customer profile. Include demographics, goals, frustrations, buying triggers, objections, preferred channels, and decision criteria.

4. Create a brand voice guide

Create a practical brand voice guide for [BRAND]. Define personality, tone, vocabulary, sentence style, words to use, words to avoid, and 5 example messages.

5. Write a brand story

Write a compelling brand story for [BRAND] using this structure: problem, insight, origin, transformation, mission, and customer promise. Keep it authentic and avoid exaggerated claims.

6. Generate brand name ideas

Generate 30 memorable brand names for [BUSINESS IDEA]. Give a short meaning or rationale for each and group them by style: premium, modern, playful, minimal, and trustworthy.

7. Create a tagline

Generate 30 short taglines for [BRAND] that communicate [CORE BENEFIT]. Keep them memorable, distinct, and suitable for website headers and advertising.

8. Create a marketing campaign concept

Develop a 30-day marketing campaign for [PRODUCT/SERVICE]. Include campaign idea, audience, message, channels, content themes, offers, CTAs, and weekly objectives.

9. Create a launch plan

Create a launch plan for [PRODUCT/SERVICE] with a 14-day pre-launch, launch day, and 14-day post-launch sequence. Include content, email, social, offer, and measurement actions.

10. Find customer pain points

Identify 20 customer pain points for [AUDIENCE] when trying to solve [PROBLEM]. Rank them by urgency and explain how [PRODUCT/SERVICE] can address each.

11. Marketing & Branding Prompt 11

Create a 10-point marketing strategy for [BUSINESS] targeting [AUDIENCE], including channels, messaging, offers, content, and KPIs, for a beginner-friendly workflow.

12. Marketing & Branding Prompt 12

Audit the marketing of [BUSINESS]. Identify 10 weaknesses, 10 opportunities, and a prioritized 30-day improvement plan, for a premium brand.

13. Marketing & Branding Prompt 13

Create 20 advertising angles for [PRODUCT/SERVICE], each based on a different customer desire, pain point, objection, or outcome, for a low-budget business.

14. Marketing & Branding Prompt 14

Write 15 high-converting CTAs for [OFFER], ranging from direct-response to soft-sell styles, for a solo entrepreneur.

15. Marketing & Branding Prompt 15

Create a competitor comparison framework for [BUSINESS] versus [COMPETITOR]. Focus on positioning, offer, proof, pricing, experience, and differentiation, for a growing team.

16. Marketing & Branding Prompt 16

Create a customer journey for [BUSINESS] from first awareness to repeat purchase, with recommended touchpoints and messages at each stage, for a beginner-friendly workflow.

17. Marketing & Branding Prompt 17

Develop 12 promotional offer ideas for [BUSINESS] that protect perceived value while increasing conversions, for a premium brand.

18. Marketing & Branding Prompt 18

Create a referral program for [BUSINESS], including incentive structure, rules, messaging, and launch plan, for a low-budget business.

19. Marketing & Branding Prompt 19

Create a lead magnet for [AUDIENCE] who struggle with [PROBLEM]. Include title, contents, CTA, and promotion plan, for a solo entrepreneur.

20. Marketing & Branding Prompt 20

Write a landing-page messaging strategy for [OFFER], including headline, subheadline, benefits, proof, objections, FAQ, and CTA, for a growing team.

21. Marketing & Branding Prompt 21

Create a 10-point marketing strategy for [BUSINESS] targeting [AUDIENCE], including channels, messaging, offers, content, and KPIs, for a beginner-friendly workflow.

22. Marketing & Branding Prompt 22

Audit the marketing of [BUSINESS]. Identify 10 weaknesses, 10 opportunities, and a prioritized 30-day improvement plan, for a premium brand.

23. Marketing & Branding Prompt 23

Create 20 advertising angles for [PRODUCT/SERVICE], each based on a different customer desire, pain point, objection, or outcome, for a low-budget business.

24. Marketing & Branding Prompt 24

Write 15 high-converting CTAs for [OFFER], ranging from direct-response to soft-sell styles, for a solo entrepreneur.

25. Marketing & Branding Prompt 25

Create a competitor comparison framework for [BUSINESS] versus [COMPETITOR]. Focus on positioning, offer, proof, pricing, experience, and differentiation, for a growing team.

26. Marketing & Branding Prompt 26

Create a customer journey for [BUSINESS] from first awareness to repeat purchase, with recommended touchpoints and messages at each stage, for a beginner-friendly workflow.

27. Marketing & Branding Prompt 27

Develop 12 promotional offer ideas for [BUSINESS] that protect perceived value while increasing conversions, for a premium brand.
